371

Notice dated 4th February 1918.

LICENSED PLUMBERS.

In accordance with the rules laid in Government Notification No. 772—5275, dated the 29th June 1912, applications are invited from qualified persons desirous of carrying house service work as licensed plumbers in the Cities of Bangalore and Mysore, during the year 1918-19. The applications will be received up to 12 noon on the 2nd May 1918. Along with each application a deposit of Rs. 100 should be given which will be kept as a security throughout the year.

2. Due intimation will be given to the selected candidates and they will be required to execute the agreement within eight days and pay a sum of Rs. 10, being the fee for the license which will be credited to Government. Failing which their names will be removed from the list of selected candidates.

3. The deposit of Rs. 100 of the unsuccessful candidates will be refunded.

S. SRINIVASA AIYAR,
Executive Engineer.

BANGALORE DIVISION.

Abstract Notification.

Attention is invited to the notification calling for tenders for the supply of articles required for the Maralwadi tank works, published in Part IV of the *Mysore Gazette* dated 31st January 1918.

C. VIJAYARANGAM NAIDU,
Executive Engineer.

KOLAR DIVISION.

Notice.

The attention of the public is invited to the notification published in the issue of the *Mysore Gazette* dated the 31st January 1918, pages 103—104, calling for tenders for restoring the Pulurkota tank, Registered No. 144 of Srinivaspur Taluk.

Dated 13th January 1918.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Kolar Division, up to 28th February 1918, for constructing a dispensary with a kitchen and latrine at Pathapalya. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of September 1918.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Kolar, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 100 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing a dispensary with a kitchen and latrine at Pathapalya," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the undersigned who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Approximate estimate of quantities for constructing a dispenary with a kitchen and latrine at Pathapalya.
